

# Wilson Center Auditorium Renovation Project

Fundraising is now in full swing with the Wilson Center Auditorium Renovation Committee seeking people, businesses and organizations who are willing to help restore this mid-Michigan historical gem here in St. Johns. This auditorium has great acoustics, sightlines and intimacy – it will become a viable entertainment venue for mid-Michigan residents for many, many years to come!

We have accomplished a lot so far, but do have a ways to go. We hope that you will become involved in this restoration project with a tax deductible donation. For a donation of \$250, you can sponsor a seat having your name or that of someone else permanently engraved on a seat plaque. For donations of \$500 or more, you can have your name engraved on a special plaque being located in the auditorium lobby instead of sponsoring seats. Please give as much as you can and help spread the word to help in this community effort. We hope that you will become involved in this exciting project.

Please make out your check to: **“St. Johns Foundation for Excellence”** and send it along with this form to: **Wilson Auditorium Project, PO Box 331, St. Johns, MI 48879.**
